

Come an Join a SALT School Visit Team

WHAT IT GIVES

A week long professional development experience that cannot be matched:

- Following a student for a day
- Hours of classroom observation
- Intense professional discussions
- A trained, certified and experienced chair who is a teacher first
- An internationally acclaimed process to ensure the rigor of reports, tested in Rhode Island schools for 10 years
- CEU and graduate credit

1,600 Rhode Island teachers have now served as team members. The professional rewards bring teachers back to serve again and again.

A full 80% of the teacher respondents on a survey see the visit as "the most powerful professional development experience" they have "ever experienced."*

Supported by the Rhode Island Department of Education, Office of Progressive Support and Intervention.

Accredited by Catalpa Ltd.

WHAT IT TAKES

A week-long commitment to learning and improving schools.

Being able to sign a Code of Conduct

Strong curiosity about learning and teaching

Intense participation in the team discussions and decisions

Willingness to dig beneath the surface to build an accurate and useful report
